FRONTEND DEVELOPMENT | WEB3 FACILITATION | TECHNICAL PROBLEM SOLVING

Creative and detail-driven Frontend Developer with over 3 years of experience building user-focused and responsive web applications using React, JavaScript, Tailwind CSS, CSS, Typescript, HTML and Bootstrap, with a few months knowledge on Supabase. Skilled at problem-solving and team collaboration. Good at combining technical skill with clear communication and creativity. Experienced in both web development and technical troubleshooting, with a passion for building digital solutions that make a real impact.

Core Strengths

✓ Frontend Development
✓ React & Tailwind CSS
✓ API Integration
✓ Teamwork & Collaboration
✓ Debugging & Problem Solving
✓ Communication
✓ Version Control (Git/GitHub)

Technical Skills

HTML | CSS | JavaScript | React | Supabase | Firebase | Tailwind CSS | Node.js (Basic) | RESTful APIs | Git & GitHub | Responsive Design | Debugging | Cloud Fundamentals

Education

B.Sc in Computer Science — Federal University of Petroleum Resources, Effurun (FUPRE)
2019 – 2024
Relevant Coursework: Data Structures, Web Development, Cloud Computing

FreeCodeCamp (2025)

Completed *Frontend Development Libraries* certification, focusing on React, Redux, and responsive design principles.

Work Experience

Frontend Developer — Data Access Technology Services
2022 – 2024

- Assisted in building reusable frontend components and integrating REST APIs into dynamic web applications.
- Participated in code reviews, debugging, and refactoring sessions to maintain high performance and clean code.
- Utilized Git and GitHub for version control, collaboration, and source code management.

Frontend Developer — 4D Solutions
Oct 2023 – 2024

- Designed and implemented responsive web interfaces using **React and Tailwind CSS**.
- Collaborated with backend teams to integrate APIs and improve site performance.
- Refactored and optimized UI components to enhance maintainability and consistency.
- Contributed to debugging and testing sessions to ensure smooth deployment.

Intern — Petroleum Training Institute, ICT Center
2022

- Provided hardware and software troubleshooting for system maintenance.
- Demonstrated solid understanding of computer hardware and operating systems.
- Supported users in system configuration and network setup.
- Gained foundational knowledge in cybersecurity practices and preventive measures.

Cryptocurrency Exchange Facilitator — Self-Employed
2021 – Present

- Facilitates secure digital currency exchanges (USDT, BTC, ETH), ensuring transparent and efficient transactions.
- Builds and maintains client trust through reliable communication and consistent service delivery.
